Bsc.CSIT Student | Web Developer

## EXPERIENCE

As a B.Sc. CSIT student, I gained hands-on experience in web development, working with technologies like HTML, CSS, JavaScript, PHP, and MySQL. I focused on both front-end, fundamental backend with Laravel, improving application performance and resolving issues and also interest to teaching computer fundamental.

To manage my code and collaborate effectively, i utilized Git for version control, working through platforms like GitHub.

### Internship at Ninja Infosys Pvt. Ltd., Nepalgunj

Web Developer (02/2025 – 05/2025)

- Worked on Laravel projects such as animated websites, back-end systems and a Hospital management system.
- Ensured website performance, security and optimal user experience.
